

## Medicare Ineligible Patients

West Gippsland Healthcare Group is a public health care facility. All patients who use this facility must be eligible for Medicare benefits. Any patients who are not eligible for Medicare benefits will need to pay the Finance Department for the cost of all their medical care and services.

A Medicare ineligible person is any visitor to Australia who does not hold a valid Medicare card, or is not included under one of the classifications below:

- [Reciprocal Rights](#)
- [Asylum Seekers and Refugees](#)

If you are an overseas visitor from a country which Australia does not have a [Reciprocal Health Care Agreement](#) with, you will be treated as a Medicare Ineligible Patient. This means you will have to pay for all medical care and treatment.

If you are a Medicare Ineligible patient you will be asked to show:

- Your passport
- Visa documentation and date of entry validation
- Your contact information during your stay in Australia
- Relevant health insurance policy details

Depending on your visa classification type, you must have health insurance cover while staying in Australia

### Reciprocal Rights

The Australian Government has Reciprocal Health Care Agreements (RHCA) with the governments of the United Kingdom, New Zealand, Republic of Ireland, Sweden, The Netherlands, Finland, Belgium, Norway, Slovenia, *Malta\** and *Italy\**.

*\*Covered for Medicare for a period of six months from the date of arrival in Australia.*

These agreements may entitle you to limited subsidised health services whilst visiting Australia.

If the appropriate documentation (passport, visa, date of entry confirmation and/or country of birth residential status) is not produced you will have to pay for all associated medical costs. The fees will be waived if the documents are presented to the Finance Department.

### Table of Fees and Charges

See Page 4 below

### Health Insurance

As a Medicare Ineligible patient, it is your responsibility to ensure that you have adequate & appropriate health insurance cover or adequate money to cover the cost of your health care. You will be responsible for submitting claims to your own health insurance provider for payment.

### Emergency Patients and Emergency Admissions

Wherever possible, West Gippsland Healthcare Group requires payment with the Finance Department prior to leaving the Emergency Department or discharge from an inpatient ward.

### Maternity Patients

Payment of maternity care is required before confirmation of your booking and commencement of care. Payment can be made as one upfront payment, or three equal instalments paid in full prior to delivery. The first instalment must be received prior to commencement of any maternity care. Contact the Finance Department to arrange payment of your fees and charges. If your baby stays in hospital after you are discharged, we will charge you a new fee for your baby's care.
