The Warragul Hospital forms part of the West Gippsland Healthcare Group and is situated amongst picturesque countryside approximately 100 kms east of Melbourne.

In 2021, we will be offering a 52-week supported program that assists Graduate Nurses and Midwives in their transition from student to independent practitioner.

Our unique programs will see the Graduate Nurse / Midwife rotate throughout several clinical areas across the healthcare settings, utilising a strong support network of preceptors, graduate nurse coordinator and clinical educators. Our programs also support 6+ paid study days throughout the year, regular tutorials, scheduled supervision, smart-time plus much more ...come along to the information session above and meet our fantastic team to find out how we can support **your** career.
